WNTC To Present Two Special Features

Next week campus station WNTC will present two programs of unusual interest for its listening audience. On Monday evening, Nov. 8, "Vocally Yours" will be presented with Gloria Horn as the announcer. It is a program of poetry written by Richard March. Each verse of poetry is followed by a popular recording. This program will go on the air at 10:45 and will be a weekly feature.

Then on Thursday night, at 9:45, "Campus Chatter" will be announced by Don Miller. This is a program of college gossip. Don wrote articles of this Walter Winchel type while a freshman at Malone.

Don't forget to listen to these and other programs on WNTC weekly. WNTC is 640 on your dial.
